

# Circle of women 2018

*drawings: Vaneeta*

*"And may all mothers know that they are loved.  
And may all sisters know that they are strong (worthy).  
And may all daughters know that they are beautiful (powerful),  
that the circle of women may live on,  
that the fire of the goddess may burn on." Nalini*

This is a group for mothers, daughters, sisters, grandmothers, aunts, friends..., for all women, who want to make this healing journey into real deep femininity and discover all their beauty, dignity and wisdom inside. It's a journey deep down into our bodies. It's an experience of circling, helping one another to awaken into love, healing, regeneration and feeling deeply the connection to the source of life, to our Mother Earth. And last but not least it's a gathering of women across borders, practicing real sisterhood, feeling we are all connected, all related, all the same where ever we are.

In this workshop we will have two nightly ceremonies, doing lots of body- and energywork, visualisations, meditations and being together in nature.

The group takes place at Neredu Valley Meditation Center, 160 km north of Bangalore.

Dates: evening of October 4th to noon of October 11th, 2018
